

Premium PET Strapping

PET Strapping is the polyester strap you can rely on to bind right and stay strong. Tougher than polypropylene and more economical than steel strapping, it keeps integrity and retains tension for ideal load stability. It's tough (even penetration by errant nails won't stop it), it's safe and it's easy to apply - there are no sharp edges and it can be used by hand or with automated machinery.

Product Options

| Code | Description | Rolls/pallet |
|-------|--|--------------|
| 42005 | Premium PET Strapping 9mm x 0.65mm x 3200m, Embossed surface Breaking strain: 210kg | 20 |
| 42018 | Premium PET Strapping Fully Auto Grade 12mm x 0.7mm x 2200m, Embossed surface Breaking strain: 300kg | 24 |
| 42017 | Premium PET Strapping 16mm x 1.0mm x 1150m, Smooth surface Breaking strain: 620kg | 24 |

PET Strapping Dispenser

Keep your pallet PET Strapping in reach and at hand with this fast, easy and efficient dispenser. While lightweight in design it has stay-tough construction, ensuring long-term strapping peace of mind.

The OrgaPack range of strapping equipment is well respected internationally for some very good reasons. Firstly, there's the well-balanced design, ensuring day after day of stress-free use. Then there's the functionality.

Users have strap alignment measurements, favourite strapping mode, real time indication of applied tension force and variable tension speed control – all within easy reach and at the touch of a finger.

OR-T 130

Lightweight ease: Fast, easy and effortless, the OR-T 130 provides lightweight binding capability for functional pallet strapping.

OR-T 260

Everyday reliability: With proven performance and ideal hand-held balance, the durable design and practical functionality of the OR-T 260 makes it the most popular strapping tool around the world.

OR-T 450

Heavy-duty strength: Delivering an incredible 400-4500N of tension force the OR-T 450 is at the top of game for hand-held-in-control strapping capability.
